

National Geographic Bee

The National Geographic Bee will be held on **Tuesday, November 10**, at 10:00 am, at First Baptist Church, Collierville. The contest is open to students in grades 4-8. The contest winner has the opportunity to take the eligibility test for the State Geographic Bee in the Nashville area in the spring. Past MHEA winners have performed very well in the state competition.

The questions begin as multiple choice and gradually increase in difficulty. No one is eliminated until after several rounds of questions. Topics cover all areas of geographic study, including current events. Come on out and have fun with geography! Use the registration form below to sign up. Postmark deadline is **Saturday, October 31**. This is a FIRM deadline.

The Geographic Bee is open to MHEA members only; however, you may mail your membership dues and membership form (available on page 15) along with your registration for the Geographic Bee. Please contact GeoBee@MemphisHomeschool.org with questions about the bee. Study guides for the bee can be purchased online at www.nationalgeographic.com. Follow the "shop" link at the top of the home page to the online store, then enter item 6300199 in the search area.
