

Mid-South Educational Resources Expo

Friday & Saturday, June 12-13

Agricenter International

Do you need a class? Do you teach a class?

Be sure to check out the "Memphis Connection" at this year's Mid-South Educational Resources Expo. We have reserved a special section just for you! We want to provide a place for those in the Mid-South area who have a need to connect with those who can help meet that need. There will be tables organized by subjects (i.e. Math, Foreign Language, Fine Arts, etc.) where you can display your flyer. So, if you teach a class and would like to promote your services, here's how you can participate.

1 - Design your flyer(s) (8 1/2 x 11 only); photocopy the number you wish to distribute (last year's attendance was approximately 800); bring your flyers; an 8 1/2 x 11 upright, acrylic frame to display a sample flyer; and the form below to the Agricenter on Thursday, June 11 from 3:00 - 8:00 pm.

2 - We will place the photocopied flyers that you provide behind the acrylic frame for others to pick up throughout the Expo.

3 - You will be responsible for picking up any remaining flyers by 4:00 pm on **Saturday, June 13**. Materials left will not be returned or available for pick-up at a later date.

This special opportunity is available at no additional charge for those registered to attend the Expo. For those wishing to advertise their service without attending the Expo, the cost will be \$20.00 per 2 flyers. This opportunity is not limited to home-schoolers only. If you participate in an extracurricular activity (i.e. karate, sewing, tutoring, etc.), please have your instructor contact Kathy Armstrong, Conference Director, at Conference@MemphisHomeschool.org.

MHEA EXPO "MEMPHIS CONNECTION" REGISTRATION

BRING this completed form when you drop off your materials.
